

**Our model is that of equality.
We have groups that will help
you grow and we have social
groups to provide connections
to others in a safe
environment to learn.
We have many opportunities
for you, and you decide when
you want to participate
Come for an hour,
stay for the day.**

**The Peer Support Line is a
friendly phone line staffed
entirely by people with lived
experience of mental health
challenges or dual diagnosis.**

**Peer Operators are
compassionate, empathic
listeners. They offer support
and validation. They
empower callers to find
solutions to their own
problems and concerns.**
